EARTHQUAKES IN THE PHILIPPINES
Data from U.S. Geological Survey (1975-2024)
Crisscrossed by active faults and surrounded by tectonic trenches, the Philippine archipelago is one of the most earthquake-prone regions in the world.
According to PHIVOLCS, the country records an average of 20 earthquakes daily, though most are too weak to be felt. Still, history has shown that the Philippines is no stranger to powerful and destructive quakes.
This earthquake map based on data from the U.S. Geological Survey (1975–2024), while not capturing every minor tremor, reveals that nearly every region, from Extreme Northern Luzon to BARMM, has experienced seismic activity. The notable exception is Palawan, which has remained relatively quiet in terms of recorded earthquakes.
Some of the most notable earthquakes in Philippine history include the 1967 Casiguran Earthquake, which caused the collapse of the Ruby Tower in Manila and prompted the creation of the country's National Building Code; the 1976 Moro Gulf Earthquake, considered the deadliest in the country's modern history due to its powerful magnitude and the tsunami it triggered; the 1990 Luzon Earthquake, which caused widespread devastation in Baguio and was strongly felt in Metro Manila; and the 2013 Bohol Earthquake, which severely damaged many historical and cultural landmarks in both Bohol and Cebu.
It's important to remember that earthquakes themselves rarely kill; it's the secondary effects, such as collapsing structures, landslides, tsunamis, fires, and flooding, that pose the gravest risks. Strengthening awareness, preparedness, and infrastructure is essential to saving lives.

THRILLA IN MANILA
Boxing icons Muhammad Ali and Joe Frazier fought for the third time over the boxing heavyweight title at the Araneta Coliseum in the Philippines.
Ali won by technical knockout (TKO) after Frazier's coach decided not to push through with the 15th round after Frazier suffered from serious eye injuries.
The Ali-Frazier bout is considered as "the greatest, most brutal fight" in boxing history.

Using the Area Moment Method, determine the following:

a. The slope and deflection at 3m from the left end.

b. The deflection at the free ends, A and D.

c. The deflection and slope at the midspan.

d. The location and value of the maximum deflection between BC.

Evening Prayer

Lord, I lay down in my bed full of hope for tomorrow because you alone, O Lord, sustain me. Although life is full of challenges, I choose to believe and trust in you. I surrender all of me to you tonight, and I choose to rest in the warmth of your embrace, knowing that you are an ever-present help in time of need. In Jesus' name, I believe and pray,
Amen.

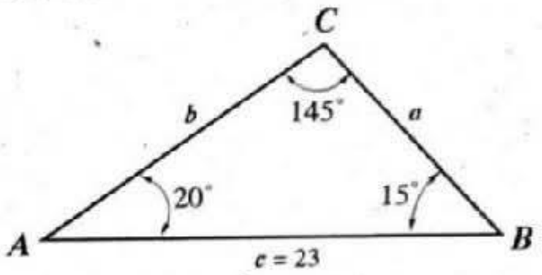
Find the area of triangle ABC, given c = 23 cm, A = 20°, and B = 15°.

Solution:



$$\text{Area} = \frac{c^2 \sin A \sin B}{2 \sin C}$$

$$\text{Area} = \frac{(23)^2 \sin 20^\circ \sin 15^\circ}{2 \sin 145^\circ}$$

$$\text{Area} = 41\ cm^2$$

2. What is the required minimum diameter (mm) of the log based on bending?

STRESSES IN BEAMS 6

NOVEMBER 2022 A wooden log is to be used as a foot bridge to a span a 2-meter gap. It will support a 40-kN concentrated load.
Given:
Allowable stress
Shear = 1.2MPa
Bending = 6.3 MPa

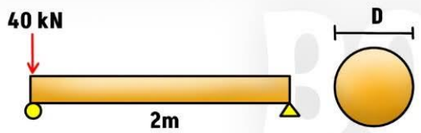
1. What is the required minimum diameter (mm) of the log based on shear?
A. 235 C. 245
B. 230 D. 240

2. What is the required minimum diameter (mm) of the log based on bending?
A. 310 C. 315
B. 320 D. 325

3. A 150-mm wide rectangular log is to be sued instead. What is the required minimum depth of the log based on bending?
A. 300 C. 355
B. 295 D. 360

SOLUTION:

1. What is the required minimum diameter (mm) of the log based on shear?



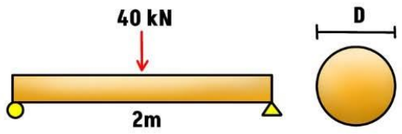
NOTE: In simply supported beam, maximum shear is at supports

$$f_v = \frac{4V}{3A}$$

$$1.2 = \frac{4\,(40\,000)}{3\left(\frac{\pi(d)^2}{4}\right)}$$

d = 237.99 mm or 240 mm

2. What is the required minimum diameter (mm) of the log based on bending?



NOTE: In simply supported beam, maximum bending is at midspan.

$$M = \frac{PL}{4}$$

$$M = \frac{40(2)}{4}$$

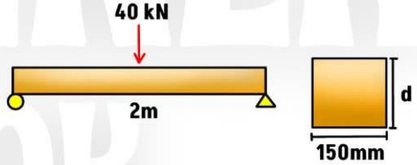
$$M = 20\ \text{kN}\cdot\text{m}$$

$$f_b = \frac{Mc}{I}$$

$$6.3 = \frac{20x10^6\,(76/2)}{\frac{\pi(d)^4}{64}}$$

d = 318.59 mm or 320 mm

3. A 150-mm wide rectangular log is to be sued instead. What is the required minimum depth of the log based on bending?



$$f_b = \frac{Mc}{I}$$

$$6.3 = \frac{20x10^6\,(d/2)}{\frac{150(d)^3}{12}}$$

d = 356.35 mm or 360 mm

AFP VISION: A WORLD-CLASS ARMED FORCES, SOURCE OF NATIONAL PRIDE

FAKE NEWS

The Armed Forces of the Philippines (AFP) strongly condemns the circulation of false and misleading content alleging that President Ferdinand R. Marcos Jr. has "threatened to remove the AFP pension."

This claim is baseless, malicious, and intended to mislead. The AFP categorically states that there is no such directive, statement, or policy from the President or any government agency. On the contrary, the administration has consistently expressed its fullest support for our men and women in uniform, including the protection and sustainability of their pension and benefits.

Please note that the pension of a retired military personnel is protected under existing laws. It is considered an earned benefit resulting from at least 20 years of faithful, honorable, and dedicated service to the nation. Under the law, a retired soldier's pension may only be forfeited if he or she is convicted of a crime, following due process and a final judgment of a competent court. No official can arbitrarily remove or withhold such pension.

The AFP urges all public officials—especially those elected to positions of leadership—to act with prudence, accuracy, and integrity when sharing information. Disseminating false claims that sow division and erode public trust is unbecoming of a government official.

We respectfully call on Congressman Barzaga to refrain from spreading disinformation that undermines public confidence and the morale of the very men and women who defend our Republic.

The AFP remains steadfast in its sworn mandate to protect the Constitution, safeguard our democracy, and serve the Filipino people with honor, integrity, and patriotism.

PILGRIMS OF HOPE

PARROQUIA
SAN GUILLERMO

PRAYER FOR DELIVERANCE FROM TYPHOON TINO

Heavenly Father, we come before You as Your children, trusting in Your great mercy and unfailing love. You are our refuge in times of danger and our shelter amidst every storm. Once again, O Lord, we humbly turn to You, seeking Your protection and deliverance from Typhoon Tino.

Stretch out Your mighty hand, O God, and calm the winds. Let the rains cease and the seas be still. May this typhoon weaken and dissolve, spared from bringing destruction, suffering, and fear to Your people. Protect our homes, our families, and our communities. Keep us safe under the shadow of Your wings, and grant peace to our hearts and to our land.

Lord, look with compassion upon those who are afraid and uncertain. Strengthen our faith and remind us that You are always in control. Bless those who work for the safety of others—our leaders, frontliners, and all who serve with courage and love. Surround them with Your guidance and protection.

We lift up to You those already affected by strong winds or heavy rains. Be their refuge and provider in their time of need. Let Your presence bring them comfort, hope, and strength.

Through the intercession of Our Lady of Candles, St. Michael the Archangel, and St. William, we implore Your mercy, O Lord. Deliver us from this storm, and let Your light shine even through the darkness.

We place our complete trust in You, for You are our rock, our shelter, and our salvation— ever faithful, ever loving, ever true. We ask this through Christ our Lord. Amen.

ORATIO IMPERATA

SA PAGLUWAS SA KALAMIDAD

Translation of the Prayer courtesy of the Archdiocese of Capiz

O Makagagahom nga Amay,
ginatib-ong namon ang amon mga tagipusuon sa imo
para sa pagpasalamat sang katahon sang tinuga nga kami kabahin man
para sa Imo padayon nga paghatag sa amon mga kinahanglanon
kag para sa Imo kaalam nga nagagiya sa pagpanglakaton sang kalibutan.

Gina-ako namon ang mga kasal-anan batok sa Imo kag sa iban nga tinuga
Nangin indi kami maayo nga manugtatap sang kalibutan
Wala namon lubos nga nahangpan ang Imo sugo sa pagsakop sang kalibutan

Ginapa-antos namon ang amon palibot bangod sang amon kasaypanan,
kag karon amon man gina-ani ang bunga
sang amon pag-abusar kag walay-kahilabtanan.

Ang pag-gin-ot sang kalibutan nag-abot na.
Ang mga bagyo, baha, paglupok sang bulkan,
kag iban pa nga natural nga kalamidad nagakatabo na
sa madamo nga beses kag tini-on.

Nagadangop kami sa Imo, O mahigugma-on nga Amay,
kag nagapangayo sang kapatawaran sang amon mga sala.

Ginapangayo namon nga kami, ang amon mga pinalangga
kag tanan namon nga kinabudlayan, maluwas sa tanan nga katalagman
sang mga kalamidad, natural man o tawhanon.

Naga-ampo kami sa Imo nga buyokon mo kami sa pagtubo
agod mangin responsable nga mga manugtatap sang Imo tinuga,
kag maalwan nga mga utod sa mga nagakinahanglan.
Amen.

Nuestra Senora dela Candelaria kag Santa Isabel de Ungria
Ig-ampo ninyo kami.

Prayer for Protection from the Typhoon

Almighty and Loving Father,
We humbly come before You in this time of uncertainty and fear.
We ask for Your divine protection as the typhoon approaches our land.
Keep us safe, Lord—our families, our homes, and our community.

Calm the strong winds, Lord, and let the heavy rains cease.
Shield those who are in vulnerable areas and guide those working tirelessly to keep others safe.
Grant wisdom to our leaders, strength to our responders, and peace to all who are anxious.

We place our trust in You, O God,
for You are our refuge and our fortress in times of storm.
May Your mercy cover us, and may Your light guide us to safety.

In Jesus' name we pray,
Amen.

Rape Prevention Tips

If someone is drunk or asleep, **DON'T RAPE** them.

When you see someone walking by themselves, **LEAVE THEM ALONE**.

Use a **BUDDY SYSTEM**! If it is difficult for you to stop yourself from raping someone, ask a trusted friend to accompany you at all times.

Carry a **RAPE WHISTLE**. If you find that you are about to rape someone, blow that whistle until someone comes to stop you.

HONESTY IS THE BEST POLICY. When asking someone out, don't pretend that you are interested in them as a person. Tell them straight up that you expect to be raping the later, If you don't communicate your intentions, they make take it as a sign that you do not plan to rape them.

THREE O'CLOCK PRAYER

You expired, O Jesus, but the source of life flowed out for souls and an ocean of mercy opened up for the whole world.

O Fountain of Life, unfathomable Divine Mercy, envelop the whole world and empty Yourself out upon us.

O Blood and Water which flowed out from the heart of Jesus as a fount of mercy for us, I trust in You.

Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and the whole world.

Amen.

PRESIDENTIAL CANDIDATES ENDORSED BY IGLESIA NI CRISTO

The Iglesia ni Cristo is widely recognized for its practice of **bloc voting** during elections. The Church issues voting guidelines, urging members to support specific candidates as an expression of obedience and unity. INC spokesperson Edwil Zabala has emphasized the importance of members aligning with church leadership. As a result, many political candidates actively seek the church's endorsement.

WHAT'S THE BIG DIFFERENCE?

The **big difference** between Catholics and Non-Catholic Christians is that:

The Catholic Church
was founded by the
Son of God.
By God Himself.

And all non-Catholic Christian religions - everyone of them - was founded by a fallible man.

omarharfouch Miss Mexico is a Fake winner . I Omar Harfouch declared yesterday exclusively on the Americain HBO, 24 hours before the Miss Universe final, that Miss Mexico would win—because Miss Universe owner Raúl Rocha is in business with Fatima Bosch's father. All details will be showed in May 2026 on HBO. Raul Rocha and his son urged me, week ago in Dubai, to vote for #Fatima Bosh because they need her to winn "because it will be good for our business" they said to me ! #omarharfouch #fatimahbosh #missunivers #missmexico #raulrocha #

POLICY REVOLUTION VS PERSONALITY CULT: ALIN BA ANG TOTOONG PARA SA PILIPINAS?

TRILLION PEOPLE MARCH

1. Jail every official and contractor behind the flood-control scam.
2. Get every stolen peso back. No excuses.
3. Pass a real Anti-Dynasty Law. Tama na monopolyo.
4. Open Bicam for public viewing. Walang taguan.
5. Audit all flood projects and release the full report.
6. Blacklist ghost-project contractors for life.
7. Let citizens track every project, every peso, every delay.
8. Expose and punish lawmakers who inserted shady budgets.
9. Publish all contracts, bidders, timelines, and costs.
10. Build real-time public dashboards for DPWH projects.
11. Make procurement reform, FOI, and whistleblower protection urgent.
12. Hold top officials accountable — no sacred cows.
13. Stop dynasties from owning districts like private businesses.
14. Kill pork barrel disguised as “allocables.”
15. Base disaster spending on science, not political friendships.
16. Enforce climate-resilient standards on all public works.
17. Name every official involved. No sanitized lists.
18. Set up systems that make ghost projects impossible.
19. Protect whistleblowers who risked their lives exposing this.

RALLY NG MGA DDS

1. **Bring Him Home**
2. **Sara Duterte for President**
3. **Marcos Resign**

I'm 36. I'm not married, and I don't have kids. I just feel like there are a lot of women who probably need to hear that it's okay to not have that at this point in your life.

I do believe that [there are] big lessons within being alone at this time in your life. There's nothing wrong with it. I'm willing to bet you're being called towards something really, really amazing.

Basically, just don't compare your journey to anyone else's."

"REKONEK" STARS ON P500 NOCHE BUENA BUDGET

DECEMBER 1, 2025

GLORIA DIAZ: **Of course, pwede**. And by the way, Cris is a good friend of mine. She showed me all of DTI's [meal plan] for P500. You can have corned beef, fruit salad, you can have pineapple juice na dinadagdagan ng maraming yelo, and you can eat pansit.

CARMINA VILLARROEL: **Hindi talaga**. Sorry ha. I think it really depends sa pamilya kung gaano kalaki 'yung pamilya at kung ano ang gustong ihain sa noche buena.

ZOREN LEGASPI: Noche buena is a feast... We have to consider that event, once a year lang nangyayari. **Pwede bang may fiesta na nagtipid ka**?

CHARLIE DIZON: Honestly, hindi kasya 'yung P500. **Kasi sa totoo lang, sa isang araw ang hirap nang pagkasyahin 'yung P500**.

KELVIN MIRANDA: [K]asi 'yung bigas ngayon, singkwenta pesos ngayon. 'Yun na ang standard rate. Sibuyas, bawang, cooking oil, ang mamahal na rin. Para sa'kin, **hindi siya talaga kasya kahit sa dalawang tao. Siguro kapag isang tao**.

FTTM FACEBOOK DOWN

December 6, 2025

This morning, our Facebook Page got taken down. Coincidentally, the pages of Rappler, Bilyonaryo News Channel, Atty. Jesus Falcis, among others, also disappeared from the platform. While Rappler has been reinstated, the rest remains unavailable.

Upon checking with Atty. Falcis, it seems that just one reporter who is likely to be from a spanish-speaking country have caused the takedown with a bogus trademark complaint.

We are doing our best to get back on the platform.

We are currently in contact with Meta to have this issue resolved. We will also notify the government to check on this seemingly coordinated cyberattack.

Thank you for understanding.

FACT CHECK!

De Lima did NOT say VP Sara's resignation could help her father's release

House Deputy Minority Leader Leila De Lima never claimed that the resignation of Vice President Sara Duterte and her allies could facilitate the release of former president Rodrigo Duterte from ICC detention.

It was actually ICC assistant to counsel Kristina Conti who said that the resignation of VP Sara and all the Dutertes in government "could have an effect" if the former president's camp would file a request for his interim release again.

Ang ayoko dito, they are taking advantage kasi nile-label nila akong DDS kaya binabanatan nila ako kasi takot sila na mag-senador ako. Llamas mas bagay naman akong mag-senador kaysa sa iyo. Maawa ka naman sa Pilipinas kung ikaw ang mag-senador. Doon ka sa line-up ni Risa Hontiveros, pareho kayong mga komunista diyan. Kasalanan ko ba kung pinanganak ako na hindi ako mahirap, kaya hindi ako nag-komunista? Ang problema sa inyo, gusto niyo komunista. Hindi ako bagay diyan—sosyalista ako.

Naku Po mga ka DDS! Kahit yung ibang JUDGE sa ICC ay nagiging dismayado na sa pag deny ng interment release ni dating panggulonmg RODRIDGO DUTERTE. Kahit saan nga naman tayo mag punta, may kakampi talaga tayo at ngayon galing sa BANSANG AFRICA.

SALAMAT SA PAG SUPPORTA ATTY. AISHAU SPEDE ADEYEMI! 💚👊🌹

BABAE - LALAKI

this is the first christmas in my 21 years that i've spent away from my papa rody. even as a child, i was always a nocturnal like him. and so, while my mama would sleep in our room, i would wait for my papa in the living room until 6 am sometimes, so we could go upstairs together.

papa, whatever you are doing, i know you are still awake by now. the greatest gift God has ever given me is a strong papa, who molded me into an even stronger woman. papa, you always laugh when you look at me and tell me it's because of how alike we are— from the physical features to the internal character.

i will never say it out loud but hearing your prayer today makes me understand your heart's desires. know that i can and i will do it all, out of my love for you. it will be our little secret until then. merry christmas sweet papa, i will always be your bossy and chunky kitty.

(bossy because you always complain "nganong mag sige man kag buot2 nako na tigulang naman ko") 😆
